

School:

Pupils who should be newly admitted to school from 1st March 2020 and onwards must provide the headmaster with a certificate of immunization or regular vaccination or vaccination tolerability (medically proven).

Pupils who are already attending school on 01.03.2020 must submit this evidence by 31.07.2021.

The headmaster must report pupils who do not provide the evidence in due time, to the public health office of the district.

Further information can be obtained from the school, the day care centre management or the child day care staff. In addition, there is substantial information on the measles protection law on the website <https://www.masernschutz.de/>.
