Attachment 1

Self-declaration for parents or custodians of children in daycare centers

to report a self-test result for the SARS-CoV-2 virus and to report that the child is symptom-free

Daycare center /nursery

Name of the child tested

The child's parent or custodian

Date of the self-test

Result

negative positive

- I / we confirm that self-test I / we performed on the child named above for a SARS-CoV-2 virus infection shows a negative result.
- I / we confirm, that my / our child after having been ill is now healthy and symptom-free upon his re-entry to the daycare center.

Date

Signature of parent or custodian

** If the result is positive, the person must immediately go into quarantine. This also applies to household members of persons with a positive rapid test result. The quarantine may only be terminated if a subsequent PCR-test shows a negative result. The person who had a positive self-test result is entitled to a PCR test to confirm or rule out the result.*
